Nokia 7230

The Nokia 7230 has colorful looks and offers effortless picture sharing, messaging, and social networking. It is a compact slider with stunning looks and features: Rounded edges and a sleek finish, Series 40 device with 2.4-inch screen, Nokia Messaging, voice commands, easy access to sharing snaps to Ovi, Flickr and Facebook and 3G for fast data transfer.

Additionally, the Nokia 7230 has:

- Voiced menus: The phone can read out menu options
- Voice output of SMS inbuilt: Received SMS messages can be converted to speech by the phone.

Photos come courtesy of a 3.2-megapixel camera with dedicated camera button while a light alert will let users know of a new message or call. The Nokia 7230 will keep going on standby for more than 14 days and offers four hours talk-time. MP3 and AAC ringtones are supported and it includes FM radio to keep the tunes rolling.
