

# All day mobility with Nokia Booklet 3G

## Nokia Booklet 3G

The new Nokia Booklet 3G mini laptop comes with built-in 3G and Wi-Fi and offers up to 12 hours of battery life. The high-performance Nokia Booklet 3G makes a big impression with these features and capabilities, which may be helpful for our customers with disabilities:

- HD-ready 10.1" glass display with an integrated anti-glare foil for optimal visibility
- Access the Ovi Store and choose from a wide selection of great applications to send to Nokia phones, including the Nokia Magnifier
- Send and receive SMSs with a dedicated mini application that sits directly on the desktop
- Explore surroundings with the built-in Assisted-GPS receiver
- Synchronize music, photos, calendar, and contacts. Compatible Nokia devices work seamlessly with the mini laptop via the

Ovi Suite.

- Capture images and video or have a 2-way video call over the Internet with the built-in camera
- Compatible with Nokia LPS-5 wireless loopset for wearers of telecoil-equipped hearing aids.
