

Productivity comes first: Nokia E75 optimized for efficiency

Nokia E75

The Nokia E75 boasts full desktop email functionality with a slide out QWERTY keyboard and simple three-step email setup. It is the first device to ship with Nokia Messaging, a service that opens up the world's leading consumer email accounts including Yahoo, Gmail and Hotmail. Direct access to more than 90 percent of corporate inboxes is also possible with Mail for Exchange and IBM Lotus Notes Traveler.

Features that may benefit our customers with low vision include:

- S60 3rd Edition with Feature Pack 2 based on Symbian OS v9.3
- Voice Commands and Talking Themes
- Speaker Independent Name Dialing
- Support for talking ring tones
- Text-to-speech message reader.

Customers who are hard of hearing may find these features useful:

- Internal vibrating alert
- Notification light in Navi™ Key
- Instant messaging with Presence-enhanced contacts
- Customizable video ring tones
- Video calling: 3GPP Video Call with H.263, MPEG-4 and H.264 video codecs and AMR-NB audio.
